Hi Kristin,

I've got to head out **Ex. 6 Personal Privacy (PP)** and hopefully a few planned vacation days. I'll get back to you mid to late next week. Most of my responses would be exactly as provided in the Notice of Intent to List Document on our website and the same as what was discussed at the petitioners meeting. I'll send our public notice out to petitioners before I leave today.

Darrin

Subject: [EXTERNAL] availability for a call?

Hi Tina and Darrin,

It sounds like Upper Missouri Waterkeeper and perhaps others are going to be pushing for TN & TP listing on the Upper Gallatin. Since I will be fielding a lot of questions on this, I would like to better understand your thoughts on this. Would you be willing and able to discuss with me together or separately? If so, please let me know your general availability for a call.

Thank you!
